

Hanging Skeleton

Skeleton printed on 2 letter sized sheets equal 21 inches. To make larger print on to legal sized or tabloid sized papers.

Print on to card stock or you can spray adhesive your skeleton sheets after they are printed and glue them to heavy paper. Cut them out. Don't try to cut them out and then glue them on.

Once you have your pieces cut out attach the bones together with paper fasteners and tie a string to the top of his head so you can hang him.

attach bones
at joints
